Expenditure of Rs 750/- by the Bangalore City Mlty in connection with the Civic Address to Acharya Kripalani and Sri Ram manohar Lohia during their visit to Bangalore in July

Letter No A1-C52/48-49 dated the 19th July 1948 from the Ml Commr Bangalore City Mlty requesting sanction of Govt to the resolution of the Ml Cl dated the 7th July 1948 in connection with the above-mentioned expenditure

1) The Ml Commr states in this connection that as the reception was arranged the 8th July 1948 there was not enough time to obtain previous sanction Govt in the matter A draft GO put up for approval or other order

2) There are quite a number of such functions that are being got up and this function takes away three-fourths of the budget provision of one by the Municipality for the purpose for the whole of this year, of which not even a month has lapsed It would appear to be desirable that the Munl Council should fix an upper limit of expenditure for such functions and as far as possible budget provision on the basis of the probable number of such functions they would like to arrange for a year

This cannot be accepted in the nature of things at present for

This may not be possible in view of the previous things we can keep in it until things settle down
